Students Thank our Board of Education

In honor of School Board Recognition Week, students signed a card to thank our Corinth Board of Education for all that they have done for our District.

School Board Recognition Week is a chance to thank school board members for their commitment to our students, staff, and schools. Although we appreciate the work they do year-round, we have gathered in celebration this week to highlight these volunteers' efforts.

We would like to take this opportunity to raise awareness about this team's excellent work and invite the Corinth community to learn more about the crucial role school board members have within our School District.

As a reminder, all members of the community are encouraged to attend our monthly Board of Education meetings. These meetings take place every second Tuesday of the month at 6pm. The next meeting will be held on November 14th.
