Athlete of the Week

This week's Athlete of the Week is Colt Guilder. Colt is a starter for the Corinth Varsity Boys Basketball Team. After playing three games this season, he is averaging 10 points and 4 assists per game and is shooting 78% from the free throw line. Colt has done an incredible job of leading the team on and off the court. He is a great teammate and also helps with the Intramural Boys Basketball Team. Congratulations, Colt!

Updated Contact Information

This is the time of year that inclement weather may cause us to close school, delay opening, or dismiss early. Please make sure your contact information for our automated system is up-to-date. If there has been a change, please notify your student's school. We will also post this information on the school's website, Facebook, and local news stations.

Hour of Code

A big shout-out to the 6th grade students in Mrs. Hernandez's Math Workshop class! Last week, they celebrated the "HOUR OF CODE" and used their computer coding skills to create their own Pacman games. Thank you to Mrs. Hernandez for engaging our students in coding, which promotes a higher level of thinking, problem solving, and much more.
