Please visit the above NYS HESC website for specific details and income qualification guidelines. Once on this page please enter your personal email to be notified when the scholarship application opens.

Juniors

- **SAT-**: Please remember to register for the **November 7th, 2020** SAT (Many schools are going test optional for next year, be sure to check with the schools you are applying to see what they will be requiring.)
- Please refer to the **Senior Checklist Timeline** that was mailed home with your final report card.
- **New Courses for next Fall:** Design and Drawing for Production, Robotics, Computer Science, Architecture and Design, Broadway Productions, Digital Marketing, CEIP, Political Science, Bioethics and Epidemiology. See you Counselor if you would like to add to your course requests.

Middle and High School Students:

- Summer School Registration: Summer school will be available to a limited number of students. Currently, it will be given in an online format, students will be responsible for the registration fee. If you are interested in summer school please contact your School Counselor to discuss details.
- **Course Request Letters:** Please review your course requests which were mailed home with final report cards for students in grades 8-11. Adjustments in requests will be made based on final grades and teacher recommendations. If you have any questions or requests to change courses, please contact your High School Counselor.
