**Open House**

The Corinth Elementary School is hosting its eighth annual Community Open House from 6 to 8 p.m. Tuesday, May 15. We invite the public to stop by the school and see what your community has to offer you.

We are also inviting community organizations and businesses to participate in this event. This community and school partnership event will highlight what our community has to offer while allowing parents to meet the teachers and see what their children are learning in school.

If you have a business or organization that is founded in Corinth and you are interested in being a part of this event and you have not yet signed up, please call the Elementary Office at 518-654-2960 ASAP to reserve a table.

In addition to the Open House events, this year the budget voting is being held at the Elementary School. Voting booths will be set up in the band room at the front of the building. Voting will be open from 7 a.m. to 8:30 p.m. (See below for information about absentee ballots.)

**Athlete of the Week**

Congratulation to this week's athlete of the week, Jessica Campbell.

Jessica was a third baseman for the last two years but made the switch to first base and has been getting better and better. In our games vs. Granville and Warrensburg, she had a lot of put-out chances and made no errors. Jessica is a leader on this team and has done an amazing job adapting to her new position. Jessica also had three hits and 2 RBIs in the last two games. She started a big inning for us vs. Warrensburg when we were down 4-2 in the fourth inning.

Jessica continues to improve at the plate and especially at the defensive end. Great job, Jessica!

**SkillsUSA Competition**

Three cheers to Allyssa Baker, Dillon Brooks, Alexander Seney, Caity Springer and Cydney Whipple who will represent Corinth at the SkillsUSA state competition in Syracuse on April 25-27.

These five CHS students will join other high school Career and Technical Education (CTE) students from around the state to demonstrate their skills in career and technical education fields. Join us in wishing them good luck!
