Saratoga Center For the Family Partnership

Corinth area residents will soon have access to mental health counseling services thanks to a partnership between the district and the Saratoga Center for the Family.

A trained therapist from the center will be available to see patients at Corinth High School by appointment. This service is available to anyone in the community by contacting the Saratoga Springs office at (518) 587-8008. We are pleased to partner with the Saratoga Center for the Family to help bring these services to our community.

Open House

The Corinth Elementary School is hosting its eighth annual Community Open House from 6 to 8 p.m. Tuesday, May 15. We invite the public to stop by the school and see what your community has to offer you.

We are also inviting community organizations and businesses to participate in this event. This community and school partnership event will highlight what our community has to offer while allowing parents to meet the teachers and see what their children are learning in school.

If you have a business or organization that is founded in Corinth and you are interested in being a part of this event and you have not yet signed up, please call the Elementary Office at 518-654-2960 ASAP to reserve a table.

In addition to the Open House events, this year the budget voting is being held at the Elementary School. Voting booths will be set up in the band room at the front of the building. Voting will be open from 7 a.m. to 8:30 p.m. (See below for information about absentee ballots.)

Absentee Ballots

Absentee ballots for the May 15 budget vote and school board election are now available in the Superintendent's Office at 105 Oak St. You may stop by between 8 a.m. and 4 p.m. weekdays to request an application.

If you will not be able/available to vote on May 15 between the hours of 7 a.m. and 8:30 p.m., you may request an application for an absentee ballot. There are specific reasons for requesting an absentee ballot. For more information, call 518-654-2601.
