**Athlete of the Week**

Congratulations to this week's athletes of the week, Chesnie York and Alexa Abbatontuono. These girls are part of the battery for the varsity softball team. Chesnie recently pitched a shut-out to qualify the team for sectionals. On Friday, she pitched a 5-hitter to help Corinth win the opening round game of Crossovers vs. Granville. Chesnie struck out 21 batters over those two games, allowing only one earned run. Alexa Abbatontuono had a great week as well, with eight hits, seven RBIs and a home run. Alexa has been getting it done, both at the plate and behind it! Great job, ladies.

**Alumni Banquet**

Tickets are available for the annual Corinth Alumni Banquet, scheduled for Saturday, June 16, at the Holiday Inn in Saratoga. The event is open to all alumni and will feature a cocktail hour and a roast turkey dinner. Tickets are \$25, with discounts for alumni 51 and older. The Class of 1968, and graduating seniors, are invited to attend as honored guests at no charge. For reservations or information, contact Teresa Melville at the Hudson River Community Credit Union. We hope you will join us for this event.
