Successful Start to the School Year!

September is always an energetic and exciting month here at Corinth Central School District as students return fresh from their summer break, get settled into their new classrooms, and teachers begin their lessons. As we wrap up our first week of the school year, we look forward to seeing our students learn and grow.

One successful initiative that has been implemented this year is our Chromebook initiative. We are thrilled to have this wonderful opportunity to incorporate modern technology into our curriculum. Students are especially eager to learn with these powerful tools both in the classroom and at home.

With such a great start to the school year, we can't wait to see what the 2017-18 school year has in store for us.

23rd Annual Golf Tournament

Join us this Saturday, September 16, as the Corinth Community Scholarship Association (formerly known as Corinth Dollars for Scholars) hosts a golf tournament to raise money for local scholarships. The tournament will take place at the Brookhaven Golf Club, and the event consists of four-person scrambles, starting at 9:00am, and a putting contest at 8:30am. Cost to play is \$85.00 per person, and includes 18 holes of golf, a cart, refreshments on the course, prizes, and a dinner on site at the Tee Haven Restaurant. Golfers must be 21 or older.

To enter, make checks payable to:
Corinth Community Scholarship Association
Margaret Rabida
377 Angel Road., #31
Corinth, NY 12822

For dinner reservations only, call Margaret Rabida at 518-654-9346

We hope to see you there!

Job Opportunity

Corinth Central School District is in need of a Crossing Guard at our Elementary building. It is for one hour daily from 7:35- 8:35 a.m., following the school calendar. Please apply at the Center Street Elementary School during regular school hours.

Sports Fields Warning

To keep our sports fields fresh and green, we must maintain a fertilization schedule. When fields have been fertilized, **they must remain unoccupied for 48 hours**. The following dates are scheduled for fertilization:

September 15th- Lower EMBA fields only

September 22nd- Varsity Girls and Boys Soccer field (Area inside of the track) Football fields at Oak Street and Upper EMBA fields

September 25th- Field Hockey Field at Center Street (Area behind the playground)
