**Athlete of the Week**

Nate Warrington is a student athlete on our Varsity Football Team. Nate led the football team in tackles last week vs. Hoosick Falls. Throughout the game, Nate completed 11 solo tackles, 4 assists, 1 ack, 1 forced fumble and 1 fumble recovery. Nate hustled for the entire 48 minutes and didn't step off the field once. Congratulations, Nate.

Paige Eversole is a captain on our first ever Varsity Girls Soccer Team. Paige exhibits leadership when talking to the team on and off the field. She gets her teammates ready for practice, organizes them before games, and is constantly working hard to lead the team through games. As the only junior on the team, Paige has had a great start of the season. She works hard every practice and really pushes herself in games, very rarely coming out at all. Congrats to you, Paige!

**Sports Fields Warning**

To keep our sports fields fresh and green, we must maintain a fertilization schedule. When fields have been fertilized, **they must remain unoccupied for 48 hours**. The following dates are scheduled for fertilization:

**September 22nd-** Varsity Girls and Boys Soccer field (Area inside of the track) Football fields at Oak Street and Upper EMBA fields

**September 25th-** Field Hockey Field at Center Street (Area behind the playground)
