District Received National Community Action Award

The Saratoga County Economic Opportunity Council (EOC) recently awarded the Corinth Central School District the NATIONAL COMMUNITY ACTION AWARD for our district's commitment to the EOC's Head Start Program. Our district earned special recognition for housing the program in the elementary building, facilitating a smooth transition to kindergarten, and helping our students to be successful.

Dr. Stratton humbly accepted this award on behalf of our district at the Community Action Breakfast that honored organizations and individuals who have demonstrated outstanding service to families and communities in need.

June Regents Exam Schedule

Dear Parents/Guardians:

As we approach the end of the school year, students are preparing to take examinations in a variety of courses. Please find the 2017 June Regents exam schedule on our website: www.corinthcsd.org.

Local and Regents exams will begin on Tuesday, June 13th and will run through Friday, June 23rd. Please note that there will be no regular or BOCES classes during the examination period.

The transportation department will hold usual bus runs in the morning and afternoon. Please note: if your student needs transportation other than the normal morning pick-up or afternoon drop off, he/she must sign up in the high school office so we can inform the transportation department. Sign-up sheets will be available starting Tuesday, June 6th.

It is crucial for students to be punctual and attend school on the dates/times they have exams. Parents can help their children by encouraging them to get a good night's sleep the night before their exam and to eat a good breakfast the day of the exam. For added convenience, breakfast and lunch will be available in the cafeteria through June 20th. If you have any questions about the exam schedule, please feel free to contact the Counseling Office or the High School Office at 654-9005.

Sincerely,
Mr. Brian Testani
High School Principal

American Young Voices

Twenty-two students from the 6th grade choir participated in the first "American Young Voices" Festival at the Times Union Center in Albany. They were part of a huge choir with students from 54 schools numbering around 3,000 singers. The program included classical, gospel, folk, old and new rock song selections. Needless to say it was a great success and the students came home with memories to last a lifetime!

Congratulations Middle School "Mathletes"

Congratulations to all the "Mathletes" who competed in the Corinth Middle School Math Club "Math Olympics." Students competed as teams in three Olympic events including: Mental Dash, Dynamic Duo, and QUAD-ratic.

Teams "Alyssa and the Alge-Bros" and "Quadruple A Battery" ran through obstacle courses and completed math questions and puzzles to place first and second. Teams "Square Root of Awesome," "Number Ninjas," "Pi-Rates," and "÷ and Conquer" were not far behind.

All the students demonstrated exceptional effort and outstanding sportsmanship while navigating through the Olympic events. It was a fun and exciting event for all!
