- **Multiple layers of security**
- **Auto updates**

Chromebook Models

So..

Why?

Long Battery Life

Fast start up

“G Suite” integration/Google Drive/Google Classroom

Simple to use

Central Management

G Suite

**The Cans and
the Cannot
do's.**

Device Care:

- The device is district property and all users must follow all district and school policies and procedures.
- Students should use the device assigned to them and not lend their device to others.
- Students are responsible for the general care of the device issued by the school.
- Students are responsible for arriving at school with a fully charged device.
- Damaged devices or devices failing to operate properly must be turned in for evaluation and/or repair.
- Cords and cables must be inserted carefully into the device to prevent damage.
- Devices must never be left unattended, in an unlocked locker, unlocked car, unsupervised area, or in extreme temperatures.

Device Care:

- **Students are prohibited from:**
 - Defacing CCSD-issued equipment in any way. This includes, but is not limited to marking, painting, drawing or marring any surface of the devices
 - If such action occurs it will be viewed as intentional damage and therefore may be subject to a damage fee and disciplinary action
