Corinth says Thanks to School Board Members

At the Tuesday, October 9 board meeting, elementary school students shared their appreciation by visiting and thanking the seven members of our community who contribute countless hours, at no pay, to make the Corinth Central School District the best it can be. Our board members were showered with thoughtful notes and treats from elementary students and the middle school student council. Thank you, Louis Lueck, Arthur Lozier, III, Lori Baker, Danielle Freebern, Andy Kelley, Celia Lockhart and Cheri Sullivan for your service!
