**Athletes of the Week, April 15**

Congratulations to this week's athletes of the week, Amelia Robarge! Amelia is the best type of athlete you can have on a team. She will do anything you ask, play multiple positions in the field, change positions in the batting order and she will always excel. The last two games she has moved up to second in the batting order and has been on base 7 out of 9 times. In our last game she hit a booming home-run and a double that was almost a home-run. She always has a great attitude and is a true pleasure to coach. Way to go, Amelia!

**Congratulations, Corinth National Honor Society Inductees!**

Congratulations to all of our 2019 Corinth High School National Honor Society inductees! The privilege of membership is awarded to students who demonstrate scholarship, service, leadership and character. Our CHS chapter members facilitated a meaningful ceremony that included a brief faculty testimonial to the qualifications of each inductee, the history of our chapter, special vocal selections and much more. Our guest speaker was CCSD alumnus, Mr. Chad Shippee. Kudos to our NHS adviser, Mrs. Christina Taylor, for your guidance. [Check out photos from the event on the district's Facebook page.](#)
