Heroes Night at Annual Cup Games

We are incredibly thankful to have had local heroes and first responders attend our Cup Games on Saturday, September 30th. Over 10 fire trucks, local sheriffs, firemen, military, and EMTs took to the football field as we played *The Star Spangled Banner*. This was an important and special moment for our community to honor the work that is done to keep Corinth, and our country safe. Thank you to all that came out!

A Note from our High School Principal, Mr. Testani

On October 16th, the high school will be hosting our annual Fall Open House. The event will begin at 6:30pm and will conclude at 8:00pm. Student progress reports and other useful information will be available during the evening. Counselors from the Trio/Upward Bound program will host an informational session at 6:00pm in the auditorium. In addition, representatives from SUNY Adirondack, Hudson Valley Community College, WSWHE BOCES, and local first responders will be in attendance to provide information to families about their programs. There will be a **FREE family BBQ** starting at 6:15pm. Attending open house is a great way to meet faculty members and hear more about the courses your children are taking this year. Staff members will have tables set up in the hallways and will be available to speak about their program or just to say hi and put a name with a face.

Athletes of the Week

Congratulations to this week's Athletes of the Week, William Brewer and Hannah Millis. William is a senior and a captain of the Varsity Soccer Team. He is a tough defender that never gives up, covers ground on the defensive end of the field, is dependable, and easy to coach. William plays with the heart of a champion and never accepts anything but the best from himself.

Hannah is a senior cheerleader with an abundance of energy and leadership skills. She works hard to keep the team united and provides new cheers for the group. Hannah was instrumental in developing one of our half-time routines. We congratulate Hannah, and we thank her for being upbeat, optimistic, and CHEERFUL!
