Community Leaf Raking

On Saturday, November 4th, students in our CCSD FCCLA Club (Family, Career and Community Leaders of America) raked leaves for elderly community members. This was one of the many community service projects that the FCCLA Club coordinates. Thank you to our club advisers, Mrs. Jolene Caruso and Mrs. Sarah Graham, for engaging our students in such a worthwhile activity and teaching the importance of giving back to our community!

Middle School Trivia Night

Thank you to all of the CMS students and families who joined us for our Middle School Family Trivia Night. We were excited to use this opportunity to showcase our new technology tools, including our student Chromebooks, and demonstrate how we use them in the classroom. What resulted was a fun, spirited, competitive evening with our students, families, and staff. Many thanks to our SDM team for sponsoring this event! We would also like to thank our National Junior Honor Society students, who helped facilitate the event. See photos of the evening on our school website: www.corinthcsd.org

CTA Welcomes our New Teachers

On Thursday, November 2nd, our faculty and staff gathered at the Waterhouse Restaurant for a meet and greet with our new teachers. We had a great time welcoming First Grade Teacher, Erin Higgins, Fourth Grade Teacher, Jennifer Parrish, and Seventh Grade Science Teacher, Robert Saumell. Thank you to the Corinth Teachers Association for sponsoring this event.
