

français 2

Salut et bienvenue à la classe de français 2 de Madame Mullin! I am very excited to begin this school year with you to help guide and teach you more of the French language and to help prepare you for the NYS Regents Parallel at the end of French 3. Some of the topics we learn are profession, animal and toiletry item vocabulary, review of the 5 major verbs and their expressions, reflexive verb conjugations in the present tense, the past tense, as well as other grammar topics. Our classroom environment needs to be one where all students can learn and feel comfortable at ALL times. In order for this to happen, certain behaviors are absolutely necessary to be up held in my class and no exceptions will be made. **You can attain success and fulfillment in this class by following these classroom expectations:**

1. Required Materials

- A. A 3 ring binder with some lined paper (3" binders work best)
- B. Any papers we are currently working with and those you may need to refer to from the past
- C. Pen / pencil
- D. chromebook

2. General Classroom Rules

- A. Be on time, prepared with a binder, writing utensil and finished homework assignment.
- B. There will be NO eating of any sorts, drinking, hat wearing or gum chewing in the classroom.
- C. Cell Phones may only be OUT if I've given permission for their use.
- D. Respect for myself and fellow classmates is mandatory! You must behave as an adult: when others are speaking, you'll listen, you must raise your hand to speak, and school property and classmate's belongings will be treated with regard. (i.e. no writing on desks or books)

Expected classroom behaviors will be covered on the first day of class so that you will know my expectations of conduct. If these rules are not abided by, there are certain repercussions that will be carried out.

3. Absences

Each time you are absent you lose valuable instructional time as well as participation credit. The High School Attendance Policy will apply. Whenever an absence occurs, it is **your responsibility to find out the missed work**. If any notes were taken, you must get them from another student. Any work, including tests, will only be allowed to be made up for **excused absences only when a pink slip is presented within 2 days of your absence**. You must take the initiative and show me the missed homework within 2 days of your return and any missed tests or quizzes must be made up on your own time within a week of them being taken by the rest of the class. Any extra worksheets that might have been handed out during the absence will be placed in on a shelf in the classroom for you to obtain a copy. If you know an absence will occur, please see me for the assignments prior to the absence.

4. Grading

Your report card grade is based on the average of the following:

Homework	10% of total grade
Tests /Quizzes	50% of total grade
Oral Participation	20% of total grade
Classroom/Group activities	20% of total grade

Any quiz or test can be re-taken up to 2 times for a better grade max. grade is a 93

5. Class Participation

Points can be achieved in this category by answering questions in class, volunteering for board work, asking pertinent questions, and saying or sharing French sentences with me and being an active member in class. At the end of this year you will have to have a full Regents level conversation with me worth 24% of your final exam. Daily participation will greatly help you do this task with ease. The more you try to speak the language the better you will comprehend and be involved.

6. Homework

Homework will be assigned regularly during the school week. In order to receive credit, it must be thoughtfully prepared and turned in on time. All work must be handed in on the worksheets provided unless special arrangements are made. When homework is assigned a homework check will be done. If homework is not turned in on time it is still required work and should be turned in as soon as possible. Late work will be accepted but given less value than work that is handed in on time. If handing in the homework becomes an issue by any individual student, they may have to attend an after school or during lunch detention to catch up. Five grades are given for homework assignments:

				
= 105	= 100	= 75	= 50	0 = 0
(point plus)	(point)	(point tréma)	(point moins)	(zéro)

7. Extra Help

If you are struggling or are having problems with some part or parts of the course work, please do not hesitate to get help as soon as it is needed. It's important that you NOT wait until you are so behind that you become lost or extremely confused. You can see me in room 309 first thing in the morning, during 2nd, 5th, 6th, 7th or 8th periods or after school if you need to, however it's best to set up an appointment with me first.

If the above guidelines are met, this class should be enjoyable and productive for you, myself and everyone in the class. If any problems arise at any time, please let me know. Bonne Chance!

If you have any questions or concerns, please don't hesitate to call 518-654-9005 ext. 3309 or preferably e-mail me at school mullinh@corinthcsd.org. Or text me on the remind APP for this class or my personal cell phone is 518-796-8454.

I have read the responsibilities for French 2 and I understand them and agree to abide by them.
